

in response to a particular request does not mean that Petitioner knows such documents exist or are in its possession; it means only that if such documents exist, are in Petitioner's possession, are subject to discovery in this action, and can be located in a reasonable search of the most likely repositories of responsive documents, they will be produced.

OBJECTIONS TO INSTRUCTIONS

1. Petitioner specifically objects to Instruction Number 1 as naming nonparties to the case, including Petitioner's attorneys, thereby purporting to seek (i) documents not within the Petitioner's possession, custody, or control, and (ii) documents subject to the attorney-client and work product privileges. The Petitioner objects to producing, and will not produce, documents not within its possession, custody, or control, in response to any Request. The Petitioner further objects to producing, and will not produce in response to any Request, any confidential documents prepared by its attorneys for or in anticipation of litigation, any privileged communications between itself and its attorneys, or any communications among the Petitioner's attorneys, except to the extent discovery is permitted by the Indiana Rules of Trial Procedure. To the extent that any privileged information is inadvertently provided in these responses or any documents produced, such provision shall not constitute waiver of the privilege or immunity as to any such information and Respondent shall promptly return or destroy copies of any such information upon request.

OBJECTIONS TO DEFINITIONS

1. Petitioner specifically objects to the Definitions to the extent they purport to impose a burden or obligation beyond those required or permitted by the Indiana Rules of Trial Procedure or other applicable law.

GENERAL OBJECTIONS

Each of the following individual Request responses is made subject to and incorporates the following general objections.

1. Petitioner objects to the Requests to the extent that they seek to impose a burden or obligation beyond those required or permitted by the Indiana Rules of Trial Procedure, other applicable law, or any orders of the Administrative Law Judge.
2. Petitioner objects to the Requests to the extent they seek information already available to Respondent.
3. Petitioner objects to each of the Requests to the extent that they call for the production of documents that contain confidential or proprietary business information.
4. Petitioner objects to each of the Requests to the extent that they call for the production of documents that are protected by any privilege or immunity.

OBJECTIONS AND RESPONSES TO RESPONDENT'S FIRST SET OF REQUESTS FOR PRODUCTION TO PETITIONER

Subject to the foregoing objections, which are incorporated into each response whether or not repeated for emphasis, the Petitioner responds to each Request as follows:

REQUEST NO. 1: Copies of all records, notes, correspondence, emails, written communication, minutes, reviews, memorandum, voice mail recordings, other audio recordings, and other documents and electronic records with any information concerning potential conflicts of interest of any member of the Board of Directors.

RESPONSE NO. 1:

Petitioner objects to this Request to the extent it purports to require production of "all" documents and things without limitation (including as to subject matter, materiality, or

accessibility), as overly broad and unduly burdensome. Petitioner also objects to the vagueness and ambiguity of the undefined term “potential conflicts,” as it fails to make apparent the subject matter of this Request. Petitioner objects that the Request is not stated with reasonable particularity in that it fails to identify the categories or types of information sought. As a result, it is unclear what type or types of information Respondent seeks. Petitioner objects that the Request for “potential conflicts,” which calls for the production of documents that contain confidential or proprietary business information with no limitation or other specificity as to scope, is overly broad, unduly burdensome, oppressive, neither relevant to the subject matter of the pending action nor reasonably calculated to lead to the discovery of admissible evidence regarding any party’s claim or defense, and appears to be designed to harass or otherwise cause undue, unnecessary, immaterial, and irrelevant expenditure of Petitioner’s time and resources. Petitioner’s decision to exercise its legal right to seek review of Respondent’s denial of Petitioner’s application for a license to operate an abortion clinic does not entitle Respondent to use discovery as a fishing expedition into Petitioner’s business records.

Based on the foregoing objections, Petitioner has not produced any documents in response to this Request. Without waiving any of the foregoing objections, Petitioner is prepared to meet and confer with Respondent to ascertain whether agreement could be reached on production of documents that are properly discoverable.

REQUEST NO. 2: Copies of every document and record of any kind identified in the Indiana State Department of Health’s *First Set of Interrogatories* to Whole Woman’s Health Alliance, Interrogatory No. 8.

RESPONSE NO. 2:

Petitioner objects to the vagueness and ambiguity of this Request, as it fails to make apparent the scope of information sought. Subject to the forgoing objections, Petitioner hereby produces documents responsive to this Request that are Bates numbered WWHA000001-000041.

REQUEST NO. 3: A copy of each and every operating agreement, member agreement, or any other agreement between members concerning the LLC of Whole Woman's Health Alliance which the organization operated under at any time for the period from January 1, 2016 through December 31, 2017.

RESPONSE NO. 3:

Petitioner objects to the vagueness and ambiguity of this Request with respect to the term "members." Petitioner also objects that this Request is unintelligible with respect to the phrase "concerning the LLC of Whole Woman's Health Alliance which the organization operated under." Furthermore, Petitioner is a nonprofit entity and does not have "members" or an "operating agreement." To the extent this Request seeks organizational documents concerning Whole Woman's Health, LLC, Whole Woman's Health, LLC is a separate legal entity and any organizational documents of Whole Woman's Health, LLC are in its possession, custody, or control. It is unclear what documents Respondent seeks in response to this Request.

Based on the foregoing objections, Petitioner has not produced any documents in response to this Request. Without waiving any of the forgoing objections, Petitioner is prepared to meet and confer with Respondent to ascertain whether agreement could be reached on production of documents that are properly discoverable.

REQUEST NO. 4: All meeting minutes of the Board of Directors for the period from January 1, 2016 through December 31, 2017.

RESPONSE NO. 4:

Petitioner objects that the Request is not stated with reasonable particularity in that it fails to identify the categories or types of information sought within Petitioner's Board of Director meeting minutes. Petitioner objects that the Request for "all [Board of Director] meeting minutes," without limitation (including as to subject matter or materiality) or other specificity as to scope, is overly broad, unduly burdensome, oppressive, neither relevant to the subject matter of the pending action nor reasonably calculated to lead to the discovery of admissible evidence regarding any party's claim or defense, and appears to be designed to harass or otherwise cause undue, unnecessary, immaterial, and irrelevant expenditure of Petitioner's time and resources. Petitioner's decision to exercise its legal right to seek review of Respondent's denial of Petitioner's license to operate an abortion clinic does not entitle Respondent to use discovery as a fishing expedition into Petitioner's business records. Petitioner further objects to this request because it calls for the production of confidential and proprietary business information, and Respondent has informed us that it will disclose this information to members of the public upon request. Petitioner objects to the vagueness and ambiguity of this Request to the extent it fails to make apparent the scope of the information sought. Petitioner objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other applicable privilege or immunity.

Based on the foregoing objections, Petitioner has not produced any documents in response to this Request. Without waiving any of the foregoing objections, Petitioner is prepared

to meet and confer with Respondent to ascertain whether agreement could be reached on production of documents that are properly discoverable.

REQUEST NO. 5: All memoranda, interoffice communications, records, notes, correspondence, emails, written communication, minutes, reviews, memorandum, voice mail recordings, other audio recordings, and other documents and electronic records of Whole Woman's Health Alliance which refers to and/or otherwise mentions any of the following LLC organizations: Whole Woman's Health of McAllen, LLC; Whole Woman's Health of San Antonio, LLC; Whole Woman's Health of Fort Worth, LLC; Whole Woman's Health of the Twin Cities, LLC; Whole Woman's Health of Peoria, LLC; Whole Woman's Health of Beaumont, LLC; and Whole Woman's Health of Baltimore, LLC.

RESPONSES NO. 5:

Petitioner objects to this Request to the extent it purports to require production of "all" memoranda, interoffice communications, records, notes, correspondence, emails, written communication, minutes, reviews, memorandum, voice mail recordings, other audio recordings, and unspecified classes of "other documents," without limitation (including as to subject matter, materiality, or accessibility), as vague, overbroad, and unduly burdensome. Petitioner objects that the Request does not describe the documents and things sought with reasonable particularity to enable Petitioner to make a reasonable search. Petitioner further objects to this Request to the extent it seeks documents and things that "refer to and/or otherwise mention" the enumerated entities without limitation (including as to subject matter, materiality, or accessibility), as vague, overbroad, unduly burdensome, disproportional to the needs of the case, and because it purports to require production of documents and things without any limitation as to the subject matter of the above-captioned administrative appeal. Petitioner further objects to this Request because it

calls for the production of confidential and proprietary business information, and Respondent has informed us that it will disclose this information to members of the public upon request. Petitioner also objects to this Request to the extent that it seeks documents protected from disclosure by the attorney-client privilege, work product doctrine, or any other applicable privilege or immunity.

Based on the foregoing objections, Petitioner has not produced any documents in response to this Request. Without waiving any of the foregoing objections, Petitioner is prepared to meet and confer with Respondent to ascertain whether agreement could be reached on production of documents that are properly discoverable.

REQUEST NO. 6: Provide copies of any and all documents and records not otherwise provided in these discovery requests and which the Facility or its representatives allege would tend to show that Whole Woman's Health of Baltimore is not an affiliate of Whole Woman's Health Alliance.

RESPONSE NO. 6:

Petitioner objects to this Request to the extent it purports to require production of "any and all" documents, without limitation (including as to subject matter, materiality, or accessibility) as overbroad and unduly burdensome. Petitioner objects to the Request as vague, ambiguous, unintelligible, and unduly burdensome to the extent it requires documents and records to indicate or establish a negative. Petitioner objects to the vagueness and ambiguity of the phrase "tends to show." Petitioner objects to the vagueness and ambiguity of the phrase "the Facility," which is not defined. Petitioner further objects to this Request to the extent it seeks documents and records not in Petitioner's possession, custody, or control.

Subject to the foregoing objections, Petitioner hereby produces non-privileged documents responsive to this Request that are Bates numbered WWHA000042-WWHA000058.

REQUEST NO. 7: Provide copies of any and all documents and records not otherwise provided in these discovery requests and which the Facility or its representatives allege would tend to show that Whole Woman's Health of Peoria is not an affiliate of Whole Woman's Health Alliance.

RESPONSE NO. 7:

Petitioner objects to this Request to the extent it purports to require production of "any and all" documents, without limitation (including as to subject matter, materiality, or accessibility) as overbroad and unduly burdensome. Petitioner objects to the Request as vague, ambiguous, unintelligible, and unduly burdensome to the extent it requires documents and records to indicate or establish a negative. Petitioner objects to the vagueness and ambiguity of the phrase "tends to show." Petitioner objects to the vagueness and ambiguity of the phrase "the Facility," which is not defined. Petitioner further objects to this Request to the extent it seeks documents and records not in Petitioner's possession, custody, or control.

Subject to the foregoing objections, Petitioner states that following a reasonable search, it has not identified any documents or records responsive to this Request that Petitioner has not already provided in Response No. 6.

REQUEST NO. 8: Provide copies of any and all documents and records not otherwise provided in these discovery requests and which the Facility or its representatives allege would tend to show that Whole Woman's Health of Twin Cities is not an affiliate of Whole Woman's Health Alliance.

RESPONSE NO. 8:

Petitioner objects to this Request to the extent it purports to require production of “any and all” documents, without limitation (including as to subject matter, materiality, or accessibility) as overbroad and unduly burdensome. Petitioner objects to the Request as vague, ambiguous, unintelligible, and unduly burdensome to the extent it requires documents and records to indicate or establish a negative. Petitioner objects to the vagueness and ambiguity of the phrase “tends to show.” Petitioner further objects to this Request to the extent it seeks documents and records not in Petitioner’s possession, custody, or control.

Subject to the foregoing objections, Petitioner states that following a reasonable search, it has not identified any documents or records responsive to this Request that Petitioner has not already provided in Response No. 6.

REQUEST NO. 9: Provide copies of any and all documents and records not otherwise provided in these discovery requests and which the Facility or its representatives allege would tend to show that Whole Woman’s Health of Fort Worth is not an affiliate of Whole Woman’s Health Alliance.

RESPONSE NO. 9:

Petitioner objects to this Request to the extent it purports to require production of “any and all” documents, without limitation (including as to subject matter, materiality, or accessibility) as overbroad and unduly burdensome. Petitioner objects to the Request as vague, ambiguous, unintelligible, and unduly burdensome to the extent it requires documents and records to indicate or establish a negative. Petitioner objects to the vagueness and ambiguity of the phrase “tends to show.” Petitioner objects to the vagueness and ambiguity of the phrase “the

Facility,” which is not defined. Petitioner further objects to this Request to the extent it seeks documents and records not in Petitioner’s possession, custody, or control.

Subject to the foregoing objections, Petitioner states that following a reasonable search, it has not identified any documents or records responsive to this Request that Petitioner has not already provided in Response No. 6.

REQUEST NO. 10: Provide copies of any and all documents and records not otherwise provided in these discovery requests and which the Facility or its representatives allege would tend to show that Whole Woman’s Health of McAtlen is not an affiliate of Whole Woman’s Health Alliance.

RESPONSE NO. 10:

Petitioner objects to this Request to the extent it purports to require production of “any and all” documents, without limitation (including as to subject matter, materiality, or accessibility) as overbroad and unduly burdensome. Petitioner objects to the Request as vague, ambiguous, unintelligible, and unduly burdensome to the extent it requires documents and records to indicate or establish a negative. Petitioner objects to the vagueness and ambiguity of the phrase “tends to show.” Petitioner objects to the vagueness and ambiguity of the phrase “the Facility,” which is not defined. Petitioner further objects to this Request to the extent it seeks documents and records not in Petitioner’s possession, custody, or control.

Subject to the foregoing objections, Petitioner states that following a reasonable search, it has not identified any documents or records responsive to this Request that Petitioner has not already provided in Response No. 6.

REQUEST NO. 11: Provide copies of any and all documents and records not otherwise provided in these discovery requests and which the Facility or its representatives allege would

tend to show that Whole Woman's Health of San Antonio is not an affiliate of Whole Woman's Health Alliance.

RESPONSE NO. 11:

Petitioner objects to this Request to the extent it purports to require production of "any and all" documents, without limitation (including as to subject matter, materiality, or accessibility) as overbroad and unduly burdensome. Petitioner objects to the Request as vague, ambiguous, unintelligible, and unduly burdensome to the extent it requires documents and records to indicate or establish a negative. Petitioner objects to the vagueness and ambiguity of the phrase "tends to show." Petitioner objects to the vagueness and ambiguity of the phrase "the Facility," which is not defined. Petitioner further objects to this Request to the extent it seeks documents and records not in Petitioner's possession, custody, or control.

Subject to the foregoing objections, Petitioner states that following a reasonable search, it has not identified any documents or records responsive to this Request that Petitioner has not already provided in Response No. 6.

REQUEST NO. 12: All documents referred to in responding to the Department's First Set of Interrogatories.

RESPONSE NO. 12:

Petitioner objects to this Request as overly broad, unduly burdensome, vague, ambiguous, and not reasonably specific insofar as it requests documents "referred to" in responding to the Respondent's interrogatories. Petitioner objects to this Request to the extent it seeks documents protected by attorney-client privilege or the attorney work product doctrine. Petitioner further objects to the Request to the extent it seeks confidential and proprietary information.

Petitioner states that all non-privileged documents that are responsive to this Request have been produced in response to prior requests.

REQUEST NO. 13: Any remaining documents that are relevant to the issues presented in the above-captioned administrative hearing.

RESPONSE NO. 13:

Petitioner objects to this Request to the extent it seeks documents protected from disclosure by any applicable privilege or immunity. Petitioner objects to this Request to the extent it seeks all remaining relevant documents, as Petitioner can only provide those documents of which it is aware. Petitioner objects to this Request because it is premature, as discovery in this matter is ongoing and Respondent has not yet responded to Petitioner's discovery requests. Petitioner also objects to this Request to the extent it seeks documents outside the possession, custody, or control of Petitioner.

Subject to the foregoing objections. Petitioner hereby produces non-privileged documents responsive to this Request that are Bates numbered WWH000059_WWH001521.

REQUEST NO. 14: Produce the resume or curriculum vitae of each person you plan to call as an expert witness in this matter.

RESPONSE NO. 14:

Petitioner objects to this Request as premature and expressly reserves the right to supplement, clarify, revise, or correct this response. Subject to the foregoing objections. Petitioner states that at the present time there are no documents responsive to this Request.

**PETITIONER'S AMENDED RESPONSES AND OBJECTIONS TO
RESPONDENT'S' FIRST SET OF INTERROGATORIES**

Pursuant to Rules 26 and 33 of the Indiana Rules of Trial Procedure, Whole Woman's Health Alliance ("Petitioner"), by and through its undersigned counsel, hereby amends its objections and responses to the Indiana State Department of Health's ("Respondent's") First Set of Interrogatories, served on Petitioner on February 26, 2018. These amended responses and objections to Interrogatory Numbers 5 and 8 are based on reasonable further investigations. Petitioner's responses to all other Interrogatories remain unchanged. These amended responses are complete and correct, as far as Petitioner is aware, according to information available now. Petitioner reserves the right to object to future discovery on the same or related matters and does not waive any objections by providing the responses in this document. Petitioner further reserves the right to object to the admissibility of any of its responses, in whole or in part, at the

hearing in this action, on any grounds, including, but not limited to, materiality, relevance, and privilege.

GENERAL OBJECTIONS

To avoid unnecessary repetition, each of the following individual responses is subjected to, and incorporates, the following General Objections.

1. Petitioner objects to each Interrogatory insofar as it seeks or implicates information protected by the attorney-client privilege, work product doctrine, or any other applicable privilege. Petitioner will not provide such information. To the extent that privileged information is inadvertently provided in these responses, the provision shall not waive the privilege or immunity as to the information. Respondent shall promptly return or destroy copies of any such information upon request.
2. Petitioner objects to each Interrogatory and any accompanying definitions insofar as they are overly broad, unduly burdensome, or seek information that is neither admissible as evidence nor reasonably calculated to lead to the discovery of admissible evidence. Petitioner also objects to the Interrogatories to the extent that they are vague and ambiguous.
3. Petitioner objects to providing, and will not provide, information not within its possession, custody, or control in response to any Interrogatory.
4. Petitioner objects to each Interrogatory to the extent that it seeks to impose a burden or obligation different from or beyond those required or permitted by the Indiana Rules of Trial Procedure or other applicable law.

5. Petitioner objects to each Interrogatory insofar as it requests confidential or proprietary business information.
6. Petitioner objects to the Interrogatories to the extent they do not specify a relevant time period. Such discovery requests are overly broad, unduly burdensome, and not reasonably calculated to lead to the discovery of admissible evidence.
7. Petitioner objects to the Interrogatories as being premature to the extent that they call for expert discovery.
8. Petitioner objects to any explicit or implicit characterization of facts, events, circumstances, or issues in the Interrogatories. Petitioner's responses do not mean that Petitioner agrees with or accepts any explicit or implicit characterization of facts, events, circumstances, or issues in the Interrogatories.
9. Petitioner reserves the right to amend or supplement these responses and objections.

AMENDED OBJECTIONS AND RESPONSES TO RESPONDENT'S FIRST SET OF INTERROGATORIES

INTERROGATORY NO. 5: For the period from January 1, 2016 through December 31, 2017, identify each member of the Board of Directors of Whole Woman's Health Alliance, and for each state the following:

- a. the name, address, and telephone of the person identified;
- b. the title, if any, of the person identified (i.e. President, Secretary, etc.);
- c. the date the person identified joined the Board of Directors; and
- d. the date the person identified vacated the position on the Board of Directors.

RESPONSE NO. 5: Petitioner objects to this Interrogatory insofar as it seeks information that is neither relevant to the subject matter involved in the pending matter

nor reasonably calculated to lead to the discovery of admissible evidence. The mailing addresses and telephone numbers of each of Petitioner's Board members constitute sensitive and confidential information and are not relevant since Respondent must contact these individuals through Petitioner's attorneys.

Subject to and limited by the foregoing objections, and without waiving them, Petitioner answers that the individuals below comprised Petitioner's Board of Directors between January 1, 2016 and December 31, 2017:

Amy Hagstrom Miller, President
April 2014–present

Beverly Whipple, Vice President and Treasurer
April 2015–present

Brenda Tolbert, Treasurer
April 2014–October 3, 2017

John Bucy, II, Secretary
September 2014–present

Dr. Daniel Grossman
April 2015–present

Lizz Winstead
April 2015–present

Dr. Carrie Terrell
April 2015–present

Stephanie Toti
May 2017–present

Elizabeth McQueen
April 2015–present

April Looney
April 2015–present

INTERROGATORY NO. 8: For each LLC organization with which Whole Woman's Health Alliance had an organizational relationship as identified in Interrogatory No. 7, state the following for each:

- a. describe in detail the nature of the relationship;
- b. identify each and every document and record of any kind which exists that states the responsibilities and/or duties of Whole Woman's Health Alliance and the LLC organization to one another;
- c. if no document or record exists which states the responsibilities and/or duties of Whole Woman's Health Alliance and the LLC organization to one another, then describe the responsibilities and/or duties in detail;
- d. identify the member of the Board of Directors who acts as the lead liaison between Whole Woman's Health Alliance and the LLC organization; and
- e. identify the member of the Board of Directors who would be most knowledgeable about the relationship between Whole Woman's Health and the LLC organization.

RESPONSE NO. 8: Petitioner objects to this Interrogatory on the grounds that "organizational relationship" is vague, ambiguous, overly broad, and unduly burdensome. Petitioner objects to this Interrogatory on the grounds that the term "liaison" is vague and ambiguous. Petitioner objects to the Interrogatory to the extent it seeks information related to "Whole Woman's Health of Charlottesville, LLC" as unintelligible since no such entity exists, as far as Petitioner is aware. Petitioner also objects to the Interrogatory on the grounds that it is irrelevant generally, and specifically as to Whole Woman's Health of

Beaumont, LLC and Whole Woman's Health of Austin, LLC, which closed their medical facilities in 2014.

Subject to and limited by the foregoing objections, and without waiving them, Petitioner answers as follows:

a. **Whole Woman's Health, LLC:** Petitioner has contractual relationships with Whole Woman's Health, LLC pursuant to which Whole Woman's Health, LLC provides certain management services to Petitioner. Specifically, a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as exclusive agent for temporarily managing a medical clinic in Austin, Texas, executed on April 1, 2017; a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as exclusive agent for temporarily managing a medical clinic in South Bend, Indiana, executed on April 1, 2017; a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as the exclusive agent for temporarily managing a medical clinic in Charlottesville, Virginia, executed on October 1, 2017; a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as exclusive agent for temporarily managing Petitioner's business operations, executed on June 1, 2017; a written agreement leases certain employees of Whole Woman's Health, LLC to Petitioner, so that these employees can help operate Petitioner's medical clinics, executed in 2017.

No member of the Board of Directors acts as a "liaison" between Petitioner and Whole Woman's Health, LLC.

Amy Hagstrom Miller, President of Petitioner's Board of Directors, is the member most knowledgeable about any relationship between Whole Woman's Health Alliance and Whole Woman's Health, LLC.

b. **Whole Woman's Health of Austin, LLC:** Whole Woman's Health of Austin, LLC closed its medical facility, and Petitioner has no present relationship with that facility. Previously, in 2017, Petitioner entered into an agreement with Whole Woman's Health of Austin, LLC to purchase assets from Whole Woman's Health of Austin, LLC. As of 2017, Petitioner operates a nonprofit medical clinic in Austin, TX, d/b/a Whole Woman's Health of Austin. Petitioner provided the Respondent complete and correct information about Whole Woman's Health of Austin in Petitioner's response on December 8, 2017, to Respondent's requests for additional information.

No Board of Director acts as a "liaison" between Petitioner and Whole Woman's Health Austin, LLC.

Amy Hagstrom Miller, President of Petitioner's Board of Directors, is the member most knowledgeable about any past relationship between Whole Woman's Health Alliance and Whole Woman's Health of Austin, LLC.

I affirm under penalties for perjury that the foregoing answers are true and correct to the best of my knowledge and belief.

Whole Woman's Health Alliance

**PETITIONER'S AMENDED RESPONSES AND OBJECTIONS TO
RESPONDENT'S' FIRST SET OF INTERROGATORIES**

Pursuant to Rules 26 and 33 of the Indiana Rules of Trial Procedure, Whole Woman's Health Alliance ("Petitioner"), by and through its undersigned counsel, hereby amends its objections and responses to the Indiana State Department of Health's ("Respondent's") First Set of Interrogatories, served on Petitioner on February 26, 2018. These amended responses and objections to Interrogatory Numbers 5 and 8 are based on reasonable further investigations. Petitioner's responses to all other Interrogatories remain unchanged. These amended responses are complete and correct, as far as Petitioner is aware, according to information available now. Petitioner reserves the right to object to future discovery on the same or related matters and does not waive any objections by providing the responses in this document. Petitioner further reserves the right to object to the admissibility of any of its responses, in whole or in part, at the

hearing in this action, on any grounds, including, but not limited to, materiality, relevance, and privilege.

GENERAL OBJECTIONS

To avoid unnecessary repetition, each of the following individual responses is subjected to, and incorporates, the following General Objections.

1. Petitioner objects to each Interrogatory insofar as it seeks or implicates information protected by the attorney-client privilege, work product doctrine, or any other applicable privilege. Petitioner will not provide such information. To the extent that privileged information is inadvertently provided in these responses, the provision shall not waive the privilege or immunity as to the information. Respondent shall promptly return or destroy copies of any such information upon request.
2. Petitioner objects to each Interrogatory and any accompanying definitions insofar as they are overly broad, unduly burdensome, or seek information that is neither admissible as evidence nor reasonably calculated to lead to the discovery of admissible evidence. Petitioner also objects to the Interrogatories to the extent that they are vague and ambiguous.
3. Petitioner objects to providing, and will not provide, information not within its possession, custody, or control in response to any Interrogatory.
4. Petitioner objects to each Interrogatory to the extent that it seeks to impose a burden or obligation different from or beyond those required or permitted by the Indiana Rules of Trial Procedure or other applicable law.

5. Petitioner objects to each Interrogatory insofar as it requests confidential or proprietary business information.
6. Petitioner objects to the Interrogatories to the extent they do not specify a relevant time period. Such discovery requests are overly broad, unduly burdensome, and not reasonably calculated to lead to the discovery of admissible evidence.
7. Petitioner objects to the Interrogatories as being premature to the extent that they call for expert discovery.
8. Petitioner objects to any explicit or implicit characterization of facts, events, circumstances, or issues in the Interrogatories. Petitioner's responses do not mean that Petitioner agrees with or accepts any explicit or implicit characterization of facts, events, circumstances, or issues in the Interrogatories.
9. Petitioner reserves the right to amend or supplement these responses and objections.

AMENDED OBJECTIONS AND RESPONSES TO RESPONDENT'S FIRST SET OF INTERROGATORIES

INTERROGATORY NO. 5: For the period from January 1, 2016 through December 31, 2017, identify each member of the Board of Directors of Whole Woman's Health Alliance, and for each state the following:

- a. the name, address, and telephone of the person identified;
- b. the title, if any, of the person identified (i.e. President, Secretary, etc.);
- c. the date the person identified joined the Board of Directors; and
- d. the date the person identified vacated the position on the Board of Directors.

RESPONSE NO. 5: Petitioner objects to this Interrogatory insofar as it seeks information that is neither relevant to the subject matter involved in the pending matter

nor reasonably calculated to lead to the discovery of admissible evidence. The mailing addresses and telephone numbers of each of Petitioner's Board members constitute sensitive and confidential information and are not relevant since Respondent must contact these individuals through Petitioner's attorneys.

Subject to and limited by the foregoing objections, and without waiving them, Petitioner answers that the individuals below comprised Petitioner's Board of Directors between January 1, 2016 and December 31, 2017:

Amy Hagstrom Miller, President
April 2014–present

Beverly Whipple, Vice President and Treasurer
April 2015–present

Brenda Tolbert, Treasurer

John Bucy, II, Secretary

INTERROGATORY NO. 8: For each LLC organization with which Whole Woman's Health Alliance had an organizational relationship as identified in Interrogatory No. 7, state the following for each:

- a. describe in detail the nature of the relationship;
- b. identify each and every document and record of any kind which exists that states the responsibilities and/or duties of Whole Woman's Health Alliance and the LLC organization to one another;
- c. if no document or record exists which states the responsibilities and/or duties of Whole Woman's Health Alliance and the LLC organization to one another, then describe the responsibilities and/or duties in detail;
- d. identify the member of the Board of Directors who acts as the lead liaison between Whole Woman's Health Alliance and the LLC organization; and
- e. identify the member of the Board of Directors who would be most knowledgeable about the relationship between Whole Woman's Health and the LLC organization.

RESPONSE NO. 8: Petitioner objects to this Interrogatory on the grounds that "organizational relationship" is vague, ambiguous, overly broad, and unduly burdensome. Petitioner objects to this Interrogatory on the grounds that the term "liaison" is vague and ambiguous. Petitioner objects to the Interrogatory to the extent it seeks information related to "Whole Woman's Health of Charlottesville, LLC" as unintelligible since no such entity exists, as far as Petitioner is aware. Petitioner also objects to the Interrogatory on the grounds that it is irrelevant generally, and specifically as to Whole Woman's Health of

Beaumont, LLC and Whole Woman's Health of Austin, LLC, which closed their medical facilities in 2014.

Subject to and limited by the foregoing objections, and without waiving them, Petitioner answers as follows:

a. **Whole Woman's Health, LLC:** Petitioner has contractual relationships with Whole Woman's Health, LLC pursuant to which Whole Woman's Health, LLC provides certain management services to Petitioner. Specifically, a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as exclusive agent for temporarily managing a medical clinic in Austin, Texas, executed on April 1, 2017; a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as exclusive agent for temporarily managing a medical clinic in South Bend, Indiana, executed on April 1, 2017; a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as the exclusive agent for temporarily managing a medical clinic in Charlottesville, Virginia, executed on October 1, 2017; a written agreement between Petitioner and Whole Woman's Health, LLC appoints the latter as exclusive agent for temporarily managing Petitioner's business operations, executed on June 1, 2017; a written agreement leases certain employees of Whole Woman's Health, LLC to Petitioner, so that these employees can help operate Petitioner's medical clinics, executed in 2017.

No member of the Board of Directors acts as a "liaison" between Petitioner and Whole Woman's Health, LLC.

Amy Hagstrom Miller, President of Petitioner's Board of Directors, is the member most knowledgeable about any relationship between Whole Woman's Health Alliance and Whole Woman's Health, LLC.

b. **Whole Woman's Health of Austin, LLC:** Whole Woman's Health of Austin, LLC closed its medical facility, and Petitioner has no present relationship with that facility. Previously, in 2017, Petitioner entered into an agreement with Whole Woman's Health of Austin, LLC to purchase assets from Whole Woman's Health of Austin, LLC. As of 2017, Petitioner operates a nonprofit medical clinic in Austin, TX, d/b/a Whole Woman's Health of Austin. Petitioner provided the Respondent complete and correct information about Whole Woman's Health of Austin in Petitioner's response on December 8, 2017, to Respondent's requests for additional information.

No Board of Director acts as a "liaison" between Petitioner and Whole Woman's Health Austin, LLC.

Amy Hagstrom Miller, President of Petitioner's Board of Directors, is the member most knowledgeable about any past relationship between Whole Woman's Health Alliance and Whole Woman's Health of Austin, LLC.

I affirm under penalties for perjury that the foregoing answers are true and correct to the best of my knowledge and belief.

Amy Hagstrom Miller, President
Whole Woman's Health Alliance

**NON-PARTY WHOLE WOMAN'S HEALTH OF BEAUMONT, LLC'S RESPONSES
AND OBJECTIONS TO RESPONDENT'S FIRST SET OF REQUESTS FOR
PRODUCTION**

Non-Party Whole Woman's Health of Beaumont, LLC ("WWH of Beaumont"), by and through its undersigned counsel, hereby objects and responds to the Indiana State Department of Health's ("the Department's") Requests for Production of Documents and Records to a Non-Party ("Requests").

These responses are true and correct, so far as WWH of Beaumont is aware, according to information available at this time. WWH of Beaumont reserves the right to object to future discovery on the same or related matters and does not waive any objections by providing these responses.

GENERAL OBJECTIONS

1. WWH of Beaumont objects generally to the Requests on the ground that the Department's subpoena to WWH of Beaumont is invalid and unenforceable. Specifically, the Department failed to comply with Texas Civil Practice and Remedies Code § 20.002 and Texas Rule

of Civil Procedure § 201.2, which govern interstate depositions and discovery. *See In re Reed*, No. 03-09-00361-CV, 2009 WL 205891, at *1,3 (Tex. App. July 10, 2009) (holding that a Texas trial court lacked authority to order a Texas nonparty to produce documents to a Minnesota party where the party neglected to comply with § 20.002 and § 201.2). Thus, WWH of Beaumont provides these responses on a voluntary basis and not under any legal obligation, in the interest of expeditiously resolving this matter. Further, WWH of Beaumont does not waive any objections to proper service.

2. WWH of Beaumont objects generally to the Requests to the extent that the Department has failed to comply with Rules 205.1–205.3 of the Texas Rules of Civil Procedure.

**OBJECTIONS AND RESPONSES TO THE DEPARTMENT'S FIRST
SET OF REQUESTS FOR PRODUCTION TO WWH OF BEAUMONT**

WWH of Beaumont objects generally to the Requests as follows:

Request No. 1: Copies of documents and records maintained by the Facility as described below:

- a. Articles of incorporation, certificates of formation, by-laws, and any other organizational documents and records;
- b. Documents and records amending the organizational documents and records;
- c. Operating agreement of Whole Woman's Health of Beaumont, LLC;
- d. Any and all meeting minutes of Whole Woman's Health of Beaumont, LLC's Board of Directors, but if there is not a Board of Directors, then any and all meeting minutes of its managers or other employees;
- e. Any and all documents which name all of the members of Whole Woman's Health of Beaumont, LLC;
- f. All organizational charts for the period from January 1, 2016 through December 31, 2017;
- g. All documentation indicating any and all changes in the LLC membership for the period from January 1, 2016 through December 31, 2017; and

h. All surveys, findings, notices, complaints, citations, warnings, and other documents alleging a violation of the rules, regulations, or laws by Whole Woman's Health of Beaumont, LLC.

Response No. 1:

WWH of Beaumont objects generally to the Requests as unreasonable, burdensome, oppressive, overbroad, disproportional to the needs of the case, neither relevant to the subject matter of the action nor reasonably calculated to lead to the discovery of admissible evidence, and designed to harass or otherwise cause undue, unnecessary, immaterial, and irrelevant expenditure of WWH of Beaumont's time and resources. WWH of Beaumont closed its only medical facility, which was located in the State of Texas, in 2014 and has not offered any healthcare services since. It has no documents or information relevant to the above-captioned matter concerning Whole Woman's Health Alliance's 2017 application to operate an abortion clinic in the State of Indiana.

Based on the foregoing objections, WWH of Beaumont will not produce any documents in response to these Requests.

NOTICE: Effective January 1, 2004

As a result of a change in State law, the annual report fee for most legal entities (including LLCs and LLPs) has increased to \$300. This fee is for the privilege of maintaining a legal entity's existence in Maryland, and is due and payable with the filing of the personal property return. The increase is effective for any return, regardless of year, filed after 12/31/2003.

There continues to be no annual report fee for non-stock corporations, churches, foreign interstate companies, sole proprietorships and general partnerships, but these entities must still file a personal property return annually.

RE: Whole Woman's Health of Fort Worth, LLC
File Number: 801162042

It has been our pleasure to file the certificate of formation and issue the enclosed certificate of filing evidencing the existence of the newly created domestic limited liability company (llc).

Unless exempted, the entity formed is subject to state tax laws, including franchise tax laws. Shortly, the Comptroller of Public Accounts will be contacting the entity at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the entity. The initial franchise tax report will be due a year and 89 days after the effective date of formation. Thereafter, an annual franchise tax report is due each May 15. Information about franchise tax, and contact information for the Comptroller's office, is available on their web site at <http://window.state.tx.us/taxinfo/franchise/index.html>.

The entity formed does not file annual reports with the Secretary of State. Documents will be filed with the Secretary of State if the entity needs to amend one of the provisions in its certificate of formation. It is important for the entity to continuously maintain a registered agent and office in Texas. Failure to maintain an agent or office or file a change to the information in Texas may result in the involuntary termination of the entity.

If we can be of further service at any time, please let us know.

Sincerely,

Corporations Section

Re: Licensure Application

NOTICE OF LICENSE APPLICATION DENIAL

Whole Woman's Health Alliance
1812 Centre Creek Drive, Suite 205
Austin, Texas 78754

To Whom It May Concern:

The Commissioner of the Indiana State Department of Health (hereinafter referred to as "Commissioner"), pursuant to Ind. Code § 16-21-2-11, Ind. Code § 4-21.5-3-5, and 410 IAC 26, hereby issues this *Notice of License Application Denial* to Whole Woman's Health Alliance ("WWHA" or "Applicant").

On August 11, 2017, the Indiana State Department of Health (the "Department") received an *Application for License to Operate an Abortion Clinic* from WWHA. On September 21, 2017, the Department requested additional information based on discrepancies noted in WWHA's application. On October 6, 2017, the Department received a revised application from WWHA. After reviewing the revised application, the Department requested additional information to determine compliance with 410 IAC 26. In response to the Department's request to list all of the abortion and health care facilities currently operated by WWHA, its parent, affiliate, and subsidiary organizations, WWHA failed to disclose, concealed, or omitted information related to additional clinics.

Based upon the Department's review, the Commissioner finds WWHA failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information. See 410 IAC 26-2-5. You are hereby notified that the Commissioner has **DENIED** the license application of WWHA dated August 11, 2017 (supplemented on October 6, 2017 and December 8, 2017).

A person may not provide abortion services unless the person holds a license issued by the Indiana State Department of Health. A person who knowingly or intentionally operates or advertises the operation of an unlicensed abortion clinic commits a Class A misdemeanor. Ind. Code § 16-21-2-10. Ind. Code § 16-21-2-2.5.

If WWHA wishes to seek administrative review of the *Notice of License Application Denial* pursuant to Indiana Code 4-21.5-3-5, it must file a petition for review within eighteen (18) days after this *Notice of Licensure Application Denial* is served. The petition for review and petition of stay of effectiveness must be postmarked no later than **January 23, 2018**.

*PETITION FOR REVIEW OF LICENSE APPLICATION DENIAL
BY INDIANA STATE DEPARTMENT OF HEALTH*

Applicant Information:

Whole Woman's Health Alliance
1812 Centre Creek Drive, Suite 205
Austin, Texas 78734

Representative's Name (Person Submitting the Appeal):

John H. Bucy, II
Bucy & Associates, PLLC
6633 Highway 290 East, Suite 104
Austin, Texas 78723
Telephone Number: (512) 731-2638

Background Information:

Whole Woman's Health Alliance (the "Applicant") filed an Application for License to Operate an Abortion Clinic on August 11, 2017. On October 6, 2017, the Applicant filed a revised application in response to additional information requested by the Indiana State Department of Health (the "Department").

By Notice of License Application Denial dated January 3, 2018, the Department denied the Application of Applicant (the "Notice").

Reason for Denial:

In paragraph 2 of the Notice, the Department determined:

"In response to the Department's request to list all of the abortion and health care facilities currently operated by WWHA, its parent, affiliate, and

subsidiary organizations, WWHA failed to disclose, concealed or omitted information related to additional clinics."

The Department relied on this determination to find that the Applicant **"...failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information. See 410 IAC 26-2-5."**

Response of Applicant:

Factual Dispute: The factual dispute relates to Requests 1 and 2 submitted by the Department to the Applicant on October 6, 2017 and the responses submitted by the Applicant to the Department on December 8, 2017. For ease of reference, the requests and the responses of the Applicant follow:

1. Provide a complete ownership structure or description pertaining to the applicant, including, but not limited to, any individuals and/or any parent, affiliate or subsidiary organizations. Please list full legal names and addresses, and for entities, list the type of entity and the state of incorporation/organization.

Response: Whole Woman's Health Alliance ("WWHA") is a Texas nonprofit corporation. It does not have members. Management of the affairs of WWHA is vested in the Board of Directors. Since WWHA is a nonprofit corporation it does not have any owners.

WWHA operates a clinic in Austin, Texas. The address of the clinic is 8401 North IH 35, Suite 200, Austin, Texas 78753. It is licensed as an Abortion Facility by the Texas Department of State Health Services Regulatory Licensing Unit. Its license number is 140013.

WWHA has recently purchased a clinic in the State of Virginia. The clinic address is 2321 Commonwealth Drive, Charlottesville, Virginia, 22901. The license number is AF-0020.

WWHA has entered into a management agreement with Whole Woman's Health, LLC (the "Management Company"). The Management Company will provide certain designated management services to WWHA. The Management Company provides management services to numerous clinics across the United States. The Management Company is a Texas limited liability company.

Some of the Board Members of WWHA are affiliated directly or indirectly with the Management Company, but the majority of the Board Members are independent.

2. Provide a list of all the abortion and health care facilities currently operated by applicant, including its parent, affiliate or subsidiary organizations.

Response: Please refer to the answer to the first Question.

Arguments of Applicant (Factual Matters): The Applicant did not conceal or mislead the Department regarding the clinics operated by the Applicant, its parent, affiliate or subsidiary organizations. As stated in the above responses, the Applicant is a Texas nonprofit corporation. It does not have members. Management of the affairs of WWHHA is vested in the Board of Directors. Nonprofit entities, including the Applicant, do not have shareholders or owners. The Applicant does not own shares, membership interests or any other type of ownership interest in any entity. Consequently, the Applicant does not have a parent or subsidiary organization.

The Applicant in its response disclosed all of the clinics that it operates, which are located in Texas and Virginia. It also disclosed that it had entered into a management agreement with Whole Woman's Health, LLC—an independent legal entity that is distinct from the Applicant—and that Whole Woman's Health, LLC provides "management services to numerous clinics across the U.S." Applicant's Responses of Dec. 8, 2017. The Applicant did not list the other clinics managed by Whole Woman's Health, LLC, because they are not operated by Whole Woman's Health Alliance, nor are they parent, affiliate, or subsidiary organizations. To the contrary, those other clinics are independent corporations that are not controlled by the Applicant, and the Applicant has no financial or other interest in those clinics.

Although not responsive to the Department's Requests, a list of the other clinics managed by Whole Woman's Health, LLC is provided in Exhibit "A", attached hereto and incorporated herein by reference.

The Department was not specific about its basis for denying the Applicant's Application, but it is possible that the Department considers Whole Woman's Health, LLC to be an affiliate of the Applicant.

The Indiana Code defines "affiliate" as "an entity that directly or indirectly controls, is controlled by, or is under common control with" another entity, where "[c]ontrol includes the power to select the corporation's board of directors." Ind. Code § 23-17-21-2; *accord* Ind. Code § 23-1-43-1. The Applicant does not control and is not controlled by any other entity. As a Texas nonprofit corporation, the Applicant has scrupulously maintained its independent status. While Whole Woman's Health, LLC provides certain management services to the Applicant pursuant to a contractual agreement, it does not control and is not controlled by the Applicant, nor are the two companies under common control by a third party. The other clinics managed by Whole Woman's Health, LLC are independent corporations that similarly do not control, are not controlled by, and are not subject to common control with the Applicant.

Arguments of Applicant (Legal Matters): The Applicant did not conceal or mislead the Department, nor provide inaccurate statements or information; consequently, a finding that Applicant **"...failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information"** is not supported by the facts in this case.

The Applicant acted in good faith and was open and responsive. The Applicant also provided complete and accurate information to the Department. If the Department had questions concerning the Applicant's relationship to Whole Woman's Health, LLC and/or the other clinics managed by that company, it could have informed the Applicant, and the Applicant would have willingly provided additional information.

It is clear that the Applicant is of reputable and responsible character and if in the view of the Department the answer was not fully responsive it is a result of the Department's misunderstanding and not an attempt of the Applicant to mislead or conceal information.

If you have any questions feel free to contact me at the above-mentioned number.

Sincerely,

On August 11, 2017, the Indiana State Department of Health (the "Department") received an *Application for License to Operate an Abortion Clinic* from WWHA. PETITION FOR REVIEW OF LICENSE APPLICATION DENIAL BY INDIANA STATE DEPARTMENT OF HEALTH

Applicant Information:

Whole Woman's Health Alliance
1812 Centre Creek Drive, Suite 205
Austin, Texas 78734

Representative's Name (Person Submitting the Appeal):

John H. Bucy, II
Bucy & Associates, PLLC
6633 Highway 290 East, Suite 104
Austin, Texas 78723
Telephone Number: (512) 731-2638

Background Information:

Whole Woman's Health Alliance (the "Applicant") filed an Application for License to Operate an Abortion Clinic on August 11, 2017. On October 6, 2017, the Applicant filed a revised application in response to additional information requested by the Indiana State Department of Health (the "Department").

By Notice of License Application Denial dated January 3, 2018, the Department denied the Application of Applicant (the "Notice").

Reason for Denial:

In paragraph 2 of the Notice, the Department determined:

"In response to the Department's request to list all of the abortion and health care facilities currently operated by WWHA, its parent, affiliate, and

subsidary organizations, WWHA failed to disclose, concealed or omitted information related to additional clinics."

The Department relied on this determination to find that the Applicant "...failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information. See 410 IAC 26-2-5."

Response of Applicant:

Factual Dispute: The factual dispute relates to Requests 1 and 2 submitted by the Department to the Applicant on October 6, 2017 and the responses submitted by the Applicant to the Department on December 8, 2017. For ease of reference, the requests and the responses of the Applicant follow:

1. Provide a complete ownership structure or description pertaining to the applicant, including, but not limited to, any individuals and/or any parent, affiliate or subsidiary organizations. Please list full legal names and addresses, and for entities, list the type of entity and the state of incorporation/organization.

Response: Whole Woman's Health Alliance ("WWHA") is a Texas nonprofit corporation. It does not have members. Management of the affairs of WWHA is vested in the Board of Directors. Since WWHA is a nonprofit corporation it does not have any owners.

WWHA operates a clinic in Austin, Texas. The address of the clinic is 8401 North IH 35, Suite 200, Austin, Texas 78753. It is licensed as an Abortion Facility by the Texas Department of State Health Services Regulatory Licensing Unit. Its license number is 140013.

WWHA has recently purchased a clinic in the State of Virginia. The clinic address is 2321 Commonwealth Drive, Charlottesville, Virginia, 22901. The license number is AF-0020.

WWHA has entered into a management agreement with Whole Woman's Health, LLC (the "Management Company"). The Management Company will provide certain designated management services to WWHA. The Management Company provides management services to numerous clinics across the United States. The Management Company is a Texas limited liability company.

Some of the Board Members of WWHA are affiliated directly or indirectly with the Management Company, but the majority of the Board Members are independent.

2. Provide a list of all the abortion and health care facilities currently operated by applicant, including its parent, affiliate or subsidiary organizations.

Response: Please refer to the answer to the first Question.

Arguments of Applicant (Factual Matters): The Applicant did not conceal or mislead the Department regarding the clinics operated by the Applicant, its parent, affiliate or subsidiary organizations. As stated in the above responses, the Applicant is a Texas nonprofit corporation. It does not have members. Management of the affairs of WWHA is vested in the Board of Directors. Nonprofit entities, including the Applicant, do not have shareholders or owners. The Applicant does not own shares, membership interests or any other type of ownership interest in any entity. Consequently, the Applicant does not have a parent or subsidiary organization.

The Applicant in its response disclosed all of the clinics that it operates, which are located in Texas and Virginia. It also disclosed that it had entered into a management agreement with Whole Woman's Health, LLC—an independent legal entity that is distinct from the Applicant—and that Whole Woman's Health, LLC provides "management services to numerous clinics across the U.S." Applicant's Responses of Dec. 8, 2017. The Applicant did not list the other clinics managed by Whole Woman's Health, LLC, because they are not operated by Whole Woman's Health Alliance, nor are they parent, affiliate, or subsidiary organizations. To the contrary, those other clinics are independent corporations that are not controlled by the Applicant, and the Applicant has no financial or other interest in those clinics.

Although not responsive to the Department's Requests, a list of the other clinics managed by Whole Woman's Health, LLC is provided in Exhibit "A", attached hereto and incorporated herein by reference.

The Department was not specific about its basis for denying the Applicant's Application, but it is possible that the Department considers Whole Woman's Health, LLC to be an affiliate of the Applicant.

The Indiana Code defines "affiliate" as "an entity that directly or indirectly controls, is controlled by, or is under common control with" another entity, where "[c]ontrol includes the power to select the corporation's board of directors." Ind. Code § 23-17-21-2; *accord* Ind. Code § 23-1-43-1. The Applicant does not control and is not controlled by any other entity. As a Texas nonprofit corporation, the Applicant has scrupulously maintained its independent status. While Whole Woman's Health, LLC provides certain management services to the Applicant pursuant to a contractual agreement, it does not control and is not controlled by the Applicant, nor are the two companies under common control by a third party. The other clinics managed by Whole Woman's Health, LLC are independent corporations that similarly do not control, are not controlled by, and are not subject to common control with the Applicant.

Arguments of Applicant (Legal Matters): The Applicant did not conceal or mislead the Department, nor provide inaccurate statements or information; consequently, a finding that Applicant "...failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information" is not supported by the facts in this case.

The Applicant acted in good faith and was open and responsive. The Applicant also provided complete and accurate information to the Department. If the Department had questions concerning the Applicant's relationship to Whole Woman's Health, LLC and/or the other clinics managed by that company, it could have informed the Applicant, and the Applicant would have willingly provided additional information.

It is clear that the Applicant is of reputable and responsible character and if in the view of the Department the answer was not fully responsive it is a result of the Department's misunderstanding and not an attempt of the Applicant to mislead or conceal information.

If you have any questions feel free to contact me at the above-mentioned number.

Sincerely,

A handwritten signature in black ink, appearing to read "John H. Bucy, II". The signature is stylized with a large, looping "J" and "B".

This Petition is submitted in accordance with Indiana Admission and Discipline Rule 3 (Admis. Disc. Pursuant to Admis. Disc. R. 3, Attorney Toti hereby petitions for temporary admission to practice in the above-captioned matter and states as follows, in support of her petition:

1) Attorney Kathrine Jack, a member of the Bar of Indiana, in good standing, whose attorney number is 26851-49, is appearing in this action on behalf of Whole Woman's Health Alliance and has agreed to act as co-counsel in this matter.

2) Applicant Attorney Toti certifies that she is not a resident of the State of Indiana, is not regularly employed in the State of Indiana, nor is she regularly engaged in business or professional activities in the State of Indiana.

i) Attorney Toti further states that she will file a Notice with the Clerk of the Supreme Court, as required, within 30 days after the Court grants temporary admission with respect to this proceeding.

Order

On February 14, 2018, this Court granted temporary admission to attorneys Stephanie Toti and Dipti Singh of the Lawyering Project to represent Whole Woman's Health Alliance before the Indiana State Department of Health in an appeal from a license application denial under Cause No. ACL-000132-18. Attorneys Toti and Singh now request an additional thirty (30) days to file their notices of temporary admission as required by Indiana Admission and Discipline Rule 3(2)(b). Their motion states that the Indiana State Department of Health granted them temporary admission, but that they have encountered delays in obtaining certificates of good standing from the multiple jurisdictions in which they are admitted to practice—materials that must be included in their notices of temporary admission.

Being duly advised, the Court GRANTS the "Motion for Extension of Time to File Notice of Temporary Admission." Attorneys Toti and Singh may file their notices of temporary admission **no later than April 16, 2018.**

MOTION FOR EXTENSION OF TIME TO FILE
NOTICE OF TEMPORARY ADMISSION

Come now Stephanie Toti (“Attorney Toti”) and Dipti Singh (“Attorney Singh”), by counsel Kathrine D. Jack, and respectfully move the Court for an additional thirty days to file their Notice of Temporary Admission with the Clerk of the Indiana Supreme Court as required by Rule 3 of the Rules of Admission and Discipline. In support, Attorneys Toti and Singh state as follows:

1. On February 14, 2018, this Court granted Attorneys Toti and Singh’s motion for temporary admission to represent Whole Woman’s Health Alliance before the Indiana State Department of Health in an appeal from a license application denial under Cause No. CL-000132-18.
2. On February 14, 2018, the administrative law judge in Cause No. CL-000132-18 granted the temporary admission of Attorneys Toti and Singh. A copy of said order is attached hereto.
3. Pursuant to this Court’s Order and Admission and Discipline Rule 3, Section 2(b), Attorneys Toti and Singh are required to submit a Notice of Temporary Admission within 30 days of the court’s order.

4. Pursuant to Admission and Discipline Rule 3, Section 2(b), the Notice of Temporary Admission must include copies of certificates of good standing from every jurisdiction where the attorneys are admitted.
5. Attorney Toti is admitted to practice before the highest court of New York (admitted 11/15/2004) and is also admitted to the following federal courts: U.S. Supreme Court (admitted 8/31/2012); Second Circuit (admitted 04/17/2014); Fourth Circuit (admitted 06/18/2007); Fifth Circuit (admitted 03/26/2007); Eighth Circuit (admitted 04/29/2014); Ninth Circuit (admitted 07/24/2012); Eastern District of New York (admitted 05/27/2005); Southern District of New York (admitted 03/07/2008); Western District of Texas (admitted 07/14/2014).
6. Attorney Singh is admitted to practice before the highest court of California (admitted 06/10/2008) and is also admitted to the Fourth Circuit Court of Appeals (admitted 02/28/2011).
7. As noted above, Attorneys Toti and Singh are admitted to a number of jurisdictions. It has taken longer than anticipated to collect certificates of good standing from all of the jurisdictions. As of today, Attorneys Toti and Singh have not received all the certificates of good standing that should be included with their Notice of Temporary Admission.
8. The deadline for submitting the Notice of Temporary Admission is March 16, 2018.
9. Attorneys Toti and Singh, therefore, request an extension of time to submit their Notice of Temporary Admission so that they may complete the collection of certificates of good standing for all of the jurisdictions where they are admitted.
10. Attorneys Toti and Singh request an additional thirty days, to and including Monday, April 16, 2018, to submit their Notice of Temporary Admission.

WHEREFORE, Attorneys Toti and Singh move the Court for an extension of time to submit their Notice of Temporary Admission to and including Monday, April 16, 2018.

CASE MANAGEMENT ORDER

A third prehearing conference call was held on Monday, April 30, 2018. Discussion was held as to the status of the discovery, need for further discovery (deposition), and the intention of at least one party to file motions prior to the final hearing.

For purposes of ensuring that the parties continue to proceed forward in a timely fashion the following deadlines were agreed to by the parties:

Whole Woman's Health Alliance (hereinafter "Alliance") will provide the last of the first round of written discovery to the Indiana State Department of Health (hereinafter "ISDH") no later than Friday, May 4, 2018.

ISDH will have until May 11, 2018 to review and begin the subpoena process for setting up the deposition of the holding company's CEO/President that will occur no later than June 8, 2018.

Any initial motions by either the Alliance or ISDH will be submitted no later than July 13, 2018.

If the submission of the written discovery from the Alliance that is due no later than May 4, 2018 is incomplete making the scheduling of the deposition untimely, ISDH will immediately file a motion requesting a conference call to resolve the issue.

SO ORDERED this 30th day of April, 2018.
